

## Numbat Name Competition

We have a winner! Introducing Numbat Nurla! The name comes from an indigenous Australian word meaning 'plenty' which we hope will be a good sign for the numbat population out there! Congratulations to Rosine (pictured below) who provided us with the winning entry, and thanks to everyone who entered. It was a tough choice!

## Annual General Meeting

Our annual general meeting was held on 17 September. We had some slight changes to the committee and we are excited for the fresh ideas and enthusiasm.

The 2013-14 committee is:

Chairperson: Dani Jose

Vice chair: TBA

Secretary: Jess Morrison

Treasurer: Eva Wiehl

Committee Members: Leanne Kelman, Meagan McPharlin, Rosemary Johnston, Dawn Forder, Renee Bauhofer, Emily Trainer, Karen Cavanough, Chris Murphy, and Tamara Wilkes-Jones

The annual report will be available for viewing online soon.

Thanks to everyone who attended and all the members that continue to support us. We look forward to the year ahead!

## Donations Of Another Kind

Whilst we are incredibly grateful for all money based support we receive, there are other ways in which you can help the Project Numbat team.

We know we have a very diverse range of members so if you think you have any particular skills or knowledge that you could offer us, in any area (e.g. administration, fundraising, education), your assistance would be much appreciated!

Contact us at [info@numbat.org.au](mailto:info@numbat.org.au).

## Upcoming events

We are excited to join in the family fun of 'Walk the Zig Zag', now in its 13th year! Enjoy the scenery and come visit us 6 October.

## Did you know...

Numbats are solitary animals and ideally need home ranges of 25–50 hectares to ensure a steady supply of termites!
